*\$1000 is the amount needed to provide food, lodging and shelter for two people immediately following a house fire. \$300 provides a young person with Lifeguarding and Water Safety Instruction to keep our community members safe during the swim season. You have the potential of saving up to three lives by donating a unit of blood. Our local chapter funds assure that lives are saved each day. For just \$100 a member of the armed forces can be linked to family for a family emergency.*

*Help us keep our community safe and prevent, prepare for and respond to disasters right here in Union County, across the country and around the world.*

**Make checks payable to: Union County ARC and include the second page of this document.**
